Sub: Complain against disturbances by unknown numbers making obscene calls.

Respected Sir,

This is to bring to your kind notice that we have been getting video calls from unknown numbers in my wife's phone number for some days. My wife's name is Banasree Kundu and her number is 9775843993. Previously when we could understand that this is a crank call we used to block the numbers. But recently one number has been making video calls again and again and if the call is picked up he is doing obscene actions without showing his face.

I think perverted people like this should be severely punished and so I request you to take action immediately. The numbers are given below.
