Subject: Complaint (FIR)

Sir,

I, the undersigned, Nikita Chanda, wife of Sujit Chanda, of Kawakhali, near North Bengal Medical College, Darjeeling-734012, would like to state the following facts to register my complaint before you.

Received on 22.01.24 at 14:05 hrs vide NBMC OP UDE NO 511 dt 22/1/24
The original Complaint copy forwarded to I/C M.T.S. PS for stating a specific case under proper Section of Law.
Endorsed to SI Ganes Ray with inns. delegation of this case.

My husband Sujit Chanda, a CRPF personnel, has been constructing a house in and over a piece of land near Desun Hospital, Matigara. In process of construction, my husband had ordered crushed stones and it was unloaded yesterday at 9:15 pm. However, when the truck loaded with stones reached the spot of the construction, some miscreants and construction-material-mafias of the locality stopped the driver from unloading the stones and demanded rupees 6 lakhs (Six Lakhs), otherwise they would not let the construction take place. After a conversation with my husband the driver was, anyhow, allowed to unload stones.

Thereafter I along with my husband reached there to talk with the people obstructing construction. They are local people named Khitish Adhikary, son of Khirod Adhikary, Bhupen Singh, Luv (title not known) Luv's mother (name not known), and two other persons (known to me by face). Since the very inception of the construction of the house, these five people have been obstructing the construction in various ways.

When I along with my husband and brother-in-law Ajit Chanda reached there at around 9:30 pm they took him to their side to talk to him and suddenly started beating him with fist and blow. They were using slangs in the name of mother and sister. Those slangs could not be spoken in civilized society. They were

carrying *bhujali* and iron rod and tried to kill my husband. My husband, due to their sever attack, lost his balance. They were shouting that they would not allow my husband to construct the house over there. I and my brother-in-law tried everything possible to protect my husband from the clutches of the miscreants but they pushed me and hold me by clothes and tear my clothes and passed sexist remarks against me. Bhupen Singh, specifically threatened me that if my husband does not stop construction, even our dead body would not be found. Due to such severe attack the mobile of my brother-in-law was damaged, and my husband got severely injured. I and my brother-in-law took him out from there and directly reached to the North Bengal Medical College & Hospital for his treatment as he was bleeding, fainting and vomiting continuously throughout the way to reach the hospital. He has been treated with stitches in his face. My husband is serious and undergoing treatment at the hospital at present. I have two small children of tender age and such threat to life and limb of my husband can ruin the life of whole family. They are threatening to kill all of us if we dare to lodge any complaint before police authority.

I request you to kindly accept my complaint immediately and take strong action as soon as possible and arrest the culprits for the ends of justice. I also pray before you to record the statement of my husband, admitted in the NBMCH, as soon as possible.

And for this act of duty I shall be highly obliged to you.

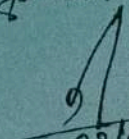

Yours Faithfully,
Nikita Chanda
