and at that time, he informed me that he wants to pay the amount through PhonePe and according to his wish, I have provided the QR Code to him to complete the process of payment and while using the phone, he started to move here and there and told me that there is some network issue/technical error in the process and while making such conversation with us, he suddenly fled away from my said Studio with the said Sony Camera along with its accessories, without making any payment to me either in cash or through online and at that time, I along with my staff and my said friend, tried our level best to trace out and apprehend the said miscreant but gone in vain and he fled away from the spot with the said products.

Sir, as there is facility of CCTV Camera in my said Studio Shop, there is a clear vision of the face of the said miscreant wherefrom, he can easily identify and it is my strong apprehension that the said miscreant in preplanned manner, entered into my said Studio and stolen away the valuable Sony Camera and its accessories from my Studio illegally and the entire incident occurred on 17/01/2024 in between 07.00 P.M. to 07.45 P.M. which is captured in the CCTV Cameras of my Studio. Sir, as I was engaged to collect all the necessary information and footages, I could not lodge this specific FIR before your good authority earlier and as such, delay has been caused and the same may kindly be condoned.
