Respected Sir,

I, Sri Titu Deb, son of Mintu Deb, resident of Bihar more, Bagdogra, P.O. and P.S. Bagdogra, would like to inform you that on 13.03.2019, my marriage was solemnized with my wife, Smt. Ruma Gope, daughter of Late Khokan Gope, presently residing that Ghoshpara, Pathar Lane, P.S. - Kotwali, District - Jalpaiguri, West Bengal - 735101 in the presence of our family members, relatives and friends according to the Hindu rites and customs at Jalpaiguri and at the time of marriage the entire expenses of the marriage was borne by me and my family and near relatives of my family also gave many valuable articles including jewelries to my wife .

That I would like to further inform you that after two months from the solemnization of marriage, the attitude and behavior of my wife totally changed towards me and my parents as her urges for expensive jewelries, articles and her flamboyant lifestyle emptied my pockets miserably as beside incurring household expenses and other miscellaneous expenses I am also having legal and moral duty towards my aged an ailing parents who are senior citizens.

That I would like to further inform you that on frequent occasion and on trivial issues my wife used to become very much furious towards me and my family and most of the time she kept herself away from the household works by isolating herself in the bedroom and being busy with her mobile phone and when I peacefully enquired my wife about such indifferent behavior and attitude towards me and my aged and ailing parents, she not only disclosed her dissatisfaction towards the middle class lifestyle of my family but also gave me ultimatum to shift at a separate place of residence and to achieve her goal she started misbehaving and abusing my mother and father in front of my relatives but in order to protect the reputation of my family, me and my parents kept on tolerating such behavior of my wife.

That on 28.02.2020, my wife gave birth to child namely 'Arav Deb' but she never gave the love and care of a mother to my child as she used to refrain from feeding the mother's milk to the child by living most of the time at her maternal home at Jalpaiguri leaving behind the infant baby in her matrimonial home and it is a fact that she never wanted a child because of her belief that same will cause the disfigurement of her body but somehow I,

with the help of my parents managed to brought up my child and he is presently 4 (four) years old. That since last few months, my wife had been continuously pressurizing me to shift at a separate place of residence leaving behind the child with his grandparents and she had also threatened me of dire consequences that If I will not fulfill her whim and wish to live separately, she will falsely implicate me and my aged and ailing parents in multiple criminal cases.

That I would like to further inform you that on 01.01.2024, at about 9 a.m. when I was out of my home for work, my wife without my consent and knowledge left behind my minor son and my aged parents back at home by taking away Rs. 1,50,000/- (Rupees One Lakh Fifty Thousand only) along with entire '*stridhan*' articles including all expensive jewelry along with herself and since thereafter despite my several requests, she has not returned back to her matrimonial home.

That I would like to further inform you that my child studies in the school namely Good Shepherd, Bagdogra, in Class 'Pre-nursery' and his Annual examinations are going on and today morning at about 8:10 a.m., I left my minor son at his school premises but when I returned back to the school at school closing hours i.e., at about 11:00 a.m. in the morning, to my shock and surprise, I found that my wife strongly hold the hands of my minor son and pushed me away and demanded a sum amounting Rs. 25,00,000/- (Rupees Twenty-five Lakhs only) from me and warned me that I must pay her the afore-mentioned sum and take divorce from her and she further told me that if I want my minor son back into my life, I must pay to her the aforesaid sum and also threatened me of dire consequences that if I approach any law enforcement agency, she will teach a life lesson to me and my aged and ailing parents by imputing us in false criminal cases and because of which me and my parents are living our life in extreme depression and trauma.

Thanking you,

Yours Faithfully

Titu Deb
