Sub : Complain of offences of melignant act likely to spread infection of disease dangerous to life by Nuisanceact of Greenzen Bio Pvt. Ltd, Chobhavita, Cannel Road, P.O. Fulbari, District Jalpaiguri dumping & depositing Medical wastes contaminated with Blood and other bodily fluids.

Sir,

The undersigned for and on behalf of Sri Ram Chandra Mission like to submit the following facts for your attention and legal steps:

The Greenzen Bio Pvt. Ltd, Chobhavita, Cannel Road, P.O. Fulbari, District Jalpaiguri is regularly dumping & depositing Medical wastes contaminated with Blood and other bodily fluids (e.g. from discarded diagnostic samples), cultures and stocks of infectious agents from laboratory work (waste from sutopsies and inflated animals from laboratories), or waste from patients with infections(e.g. swabs, bandages and disposable medical devises) which highly infectious to the human and society. In the present time when the humanity has been suffering from Covid-19 and other infectious disease and the The Epidemic Diseases (Amendment) Ordinance, 2020 was promulgated on April 22, 2020. The Ordinance amends the Epidemic Diseases Act, 1897 is enforceable in whole country through government notification.

A mass people daily takes meditation and other missionary activities in which we are affected and at any point of time ,disease may get circulate which can take life or sustain serious injury. Medical waste requiring storage should be kept in labeled, leak-proof, puncture-resistant containers under conditions that minimize or prevent foul odours. The storage area should be well ventilated and be inaccessible to pests. Any facility that generates regulated medical wastes should have a regulated medical waste management plan to ensure health and environmental safety as per Country, state, and local regulations.

The Malignant act& activities of the said Nuisanceact of Greenzen Bio Pvt. Ltd, likely to spread infection disease like Covid-19 ,tuberculosis etc and it is violating the law and regulations. Their destroying process by particles along with smoke, ash and flow of smell has been emitting from their low height chimney. They refuses, neglects and desperate in nature for proper management for disposal/removal of garbage and waste material, which is also violation of the The Epidemic Diseases (Amendment) Ordinance, 2020 and Environment Protection Act and the Rules, as also causing air and water pollution.

It is hereby requested to take criminal cognizance as per provisions of law to protect us along with people, animals of the area from the situations.

Thanking you,

Your sincerely,

Rajendra Sharma
