Respected Madam,

With due regards, I, **SMT. SANGITA CHATTERJEE (GHOSH)**, Wife of Sri Debraj Ghosh, Daughter of Sri Kanchan Chatterjee, resident of Kakra More, Ratol, Kaliaganj, P.O & P.S - Kaliaganj, Dist- Uttar Dinajpur and presently residing at Ashram Para, Ward No.14 of S.M.C, Siliguri, P.O & P.S - Siliguri, Dist- Darjeeling, PIN 734001, would like to lodge this written complaint to the effect that **SRI DEBRAJ GHOSH**, Son of Late Debesh Ghosh, of Hospital Para, Kaliaganj, P.O & P.S - Kaliaganj, Dist- Uttar Dinajpur, is my legally married husband and our marriage was solemnized on 12.02.2014 according to the Hindu Rites and Customs, after observing all formalities of a Hindu Marriage. It is to be mentioned here that our marriage was the outcome of our previous love and affairs and we entered into the said marriage with our full consent and after 4 or 5 days, the family members of my husband have accepted the said marriage and accordingly we have started to reside at my matrimonial house at Kaliaganj and out of our lawful wedlock, one male child was born on 12/09/2017 at Kaliaganj Hospital.

Madam, after elapse of six or seven months of our marriage, my husband has started to cause mental torture upon me without any justified cause and reason. Madam, I also noticed that my husband is a habitual drunker which he suppressed before our marriage. He is a person of doubtful character and he created doubts upon my chastity and character and if I wished to talk to any neighbors of my matrimonial house, he started to create doubt and started to blame me as to why I had talked with them and over this issue, he also abused me with filthy and slang languages but considering our future conjugal life, I tried my level best to understand him not to behave in such a manner but he did not pay any heed to my request and on contrary, he continued his torture both physically and mentally upon me. It is to be mentioned here that my husband in a drunken state of mind, did not bother to assault his mother also. Madam, Day by day, the intensity of torture by my husband increased gradually upon me and in spite of his continuous torture, I restrained myself from making any complaints against my husband only for the sake of our future conjugal life as well as for the future career of our son and I thought that after lapse of time, my husband will definitely change his behavior and rectify himself but no such changes took place.

Madam, since last 1 and ½ years back, we have shifted from Kaliaganj to Siliguri including my mother-in-law and started to reside in a rented premises at Ashram Para, Ward No.14 of S.M.C, Siliguri, P.O & P.S - Siliguri, Dist- Darjeeling, PIN 734001 and after coming from Kaliaganj, my husband joined in a private company but considering his attitude, behavior and alcoholic habit, his employer terminated him from the said job and presently my husband works in a Hotel at Junction area. Even after being shifted at Siliguri, my husband did not change his earlier attitude and behavior towards me as well as my mother-in-law. He always suspected and questioned upon my chastity and character and if I raised any objection against his such type of behavior and unparliamentary words towards me, he did not bother to assault me and almost every day, he consumed alcohol from early morning of the day and

after consuming alcohol, he abused me with filthy and abusive languages and also asked me to bring a sum of Rs 1 Lakhs from my parental house and if is refused to meet his unjust demands, he did not bother to assault me physically and not only that, he also did not bother to humiliate me in presence of public in general and such types of incidents occurred on numerous occasions.

Madam, On 17/06/2025, in the evening, my husband put some false allegations upon me by questioning my chastity and character in presence of our minor son and when I protested and make objections against his such type of behavior, he started to create tremendous mental torture upon me which is unbearable and finally due to his tremendous torture, I have been compelled to leave the rented house of my husband and took shelter at my elder sister's house at Haider Para and presently I am staying there with my son. During my stay at my elder sister's house, my husband called me and asked me to return back to the house and also promised me that he will not commit further torture upon me and believing his version to be true, I accompanied my son return back to the house and immediately after reaching there, my husband asked me that "What amount I have earned yesterday" in a bad and derogatory manner and also told me that he will check my private parts before allowing me to stay in the house as to whether I have committed any wrong or not and also started to cause mental torture upon me and also threatened me with dire consequences and finally I was compelled to again return back and took shelter at my elder sister's place. Now, my husband has started sending some voice messages in WhatsApp stating inter alia that If I do not return back to the house or to live with him, he will commit suicide and put me behind the Iron Bar.

Madam, after I started to reside at my elder sister's place, I have been receiving constant threats from my husband and for that reason I have been passing my days in extreme fear and anxiety.

I, therefore, request you to kindly investigate into the matter and please take appropriate strong legal action against my husband, under the relevant sections of law after treating my written complaint as an FIR and obliged thereby.

Thanking you

Yours Faithfully
