Sub: FIR against NEERAJ BHAGAT, S/O-MADANLAL BHAGAT, Address-South Palash nr Haldi Mill Pin-734003 under I.E Act 135 1(a)

Sir,

It is to inform you that I, Debraj Das, S/O- Kartik Ch Das, DE & SM, Pradhannagar CCC; being empowered by the Electricity Act 2003, do hereby lodge a complaint against NEERAJ BHAGAT, S/O- MADANLAL BHAGAT, Address- South Palash nr Haldi Mill, P.S-Pradhannagar, Pin-734003 for direct hooking from the LT O/H single phase line of WBSEDCL.

Today i.e on 17.12.2025(11:20 hrs), I came to South Palash nr Haldi Mill Pin-734003; in my official hired vehicle for a routine inspection. I was accompanied by (i) Rabi Sankar Singh, Pradhannagar CCC, (ii) Suman Pradhan, HgSrLM & other technical staffs of Pradhannagar CCC.

On inspection of the premises (after observing all formalities), I found that the boundary wall of the premises is being built by direct hooking from the nearly LT O/H line of WBSEDCL. NEERAJ BHAGAT is a non-consumer. I disconnected the illegal connection of NEERAJ BHAGAT & seized the 0.5HP water pump along with wires used for hooking, after preparing the seizure list duly signed by the witnesses. Local people were present but none appeared. NEERAJ BHAGAT was not present at the premises. A mason, Ratan Singh working at the site, received the Seizure List and Inspection Sheet. NEERAJ BHAGAT was using a load of 373W.

Seized Articles:

- One 0.5HP/0.37KW self-priming Monoblock Pump, Make-Havels
- Multistrand copper wire 2.5sq.mm of length, approx. 22m(on sample basis) with hooking device.
- Single core blue colour 1.5 sq.mm length 10m(approx.) on sample basis.
- Single core black colour 1 sq.mm length 10m(approx.) on sample basis.
- Single core green colour 0.75 sq.mm length 50m(approx.) on sample basis.

As such, NEERAJ BHAGAT, is enjoying power illegally in his premises by direct hooking from the LT O/H line of WBSEDCL and is liable for prosecution U/S 135 1(a) of Electricity Act 2003. Hence, you are requested to treat this as FIR.
