Suffering from similar incidents, wherein copper wires from electrical, lift, and air-conditioning installations are being stolen from our site. Due to these conditions, we are facing serious financial loss and disruption of construction work. We strongly believe that the said person is acting in coordination with other members of a group, who are regularly stealing valuable materials from our site by crossing the boundary wall from the rear side.

We therefore request you to kindly take necessary action as per law, investigate the matter thoroughly, recover the stolen materials, and also take action against those involved in receiving or dealing with the stolen goods.

We shall extend full cooperation to the Police authority during the investigation.

Thanking you
