Subject: Lodging of FIR regarding theft of 33KV cable and associated materials at Jhankar ROB.

Respected Sir,

I, Debanjan Dutta, S/o Ramendranath Dutta, presently working as Assistant Engineer (Electrical) attached with Siliguri Town Division and empowered under the Electricity Act, 2003, hereby lodge this complaint regarding theft of electrical materials under the ongoing underground cable project work at Siliguri. During an inspection conducted today morning at Jhankar ROB (Tumalpara Bazar side), it was found that the 33KV spare cable of Ujanu-Jhankar circuit had been cut from the bottom with and stolen along with associated channels, clamps and supporting materials by unknown miscreants.

The details of the stolen materials are as follows:

3C x 400 Sq.mm XLPE Cable, green color outer sheath - Approx. length 12 Mtrs.

GI Pipe 150 Sq.mm - Approx. length 3 Mtrs.

Channel (MS) 75 x 40 - Approx. length 0.8 Mtrs. x 4 Nos.

Clamp (MS) 65 x 6 - Approx. length 0.5 Mtrs. x 4 Nos.

The incident has caused serious disruption to the ongoing project activities under the underground cable conversion work being executed in Siliguri Town. The stolen materials are essential for continuation and completion of the project work. Moreover, repeated incidents of cable theft are causing additional restoration work, increased project cost, execution delay, and public inconvenience due to repeated excavation and shutdown activities. Hence, you are kindly requested to look into this matter seriously and register an FIR against the unknown persons involved in the theft of materials. Necessary investigation may please be initiated immediately for recovery of the stolen materials and identification of the culprits.

The details of the place of occurrence are mentioned below:

Location: Jhankar ROB, Tumalpara Bazar side, Siliguri

Concerned Circuit: Ujanu-Jhankar 33KV circuit

I shall remain grateful for your prompt action in this regard.

Received on 12/05/26
