We rounded him up and questioned about his name and address when he disclosed his identity as above. On interrogation about the bag possessing by him, initially did not disclose anything about contains of bag. I forced him to open it, when he disclosed that the bag contain cough syrup belongs to him. On further interrogation he disclosed that he procured the illegal cough syrup from Champasari side to deliver the same to another person. Then I detained him and gave an option in writing whether he is willing to be searched in presence of an Executive Magistrate or Gazette Police Officer, on return he given written reply that he is willing to be searched in presence of Gazette Police Officer.
