Matigara Police Station

Matigara,

Subject :- Written Complain.

Dear Sir,

With due respect I, Sunil Barman, S/o Lt. Chirta Barman, R/o Patiram jote kola Bast, P.S & P.O Matigara would I like to inform you that I am married with my wife namely Smt. Chhalchhali Barman since 2001, but inspite of many treatments my wife could not became a mother till date.

In the process of meeting doctors regarding my wife's w pregnancy we came to know about a doctor about whom it was heard that no women missed pregnancy under his treatment, he does it with 100% guarantee, the name of the doctor is Dr. R.K. Subedi (MBBS, N.DCT), at that time he use to do his chamber at our locality i.e Patram jote, kola Basti, under P.S Matigara, now a days he sits at chambers three more places, like 1. S.K. Medicine, Teranga More, Near Matigara Hospital, 2. Malati Medial hall, Podajhar, Dist. Jalpaiguri, 3. Jai Jeshu Clinic, Kola baghan, Near jalpai more, 4. Maa Mariya Pharmacy, Kestopur, Chowpukuria.

I asked him that as he was not a gynecologist, how would he be able to treat my wife, in reply he said that he is famous for giving child to the childless people and takes guarantees of the same, than he started the treatment, after few days he asked me to visit his wife namely Smt. Kabita Subedi who is a "Tantrik" and she started doing puja and "tantra Mantra" on my wife and she took a sum of rupees Fifty thousand for this.

He use to give medicines to my wife regularly, one day he put some injection on my wife and the menstrual cycle got stopped, this was in the month of February 2020 when the doctor said that my wife was pregnant, she was constantly under his treatment, he used to take amounts like thirty-fourty thousand at a time, but we were happy as we thought a baby was to come on the leap of my wife, we also celebrated the "Shaad" ritual as to give the good news to the relatives and close friends, both of us husband and wife were surely expecting a baby.

But my doctor use to avoid the medical checkups<sup>9</sup> like USG and all for some unknown reasons. I was very surprised to see that though the entire 10 months even some more days passed by but my was not delivering and the doctors was saying that it will take some more days for the baby to come out. Even the doctor said that it going to take another 6 months for the delivery, I trusted him as because I am all most a illiterate person and waited for another 6 months, there after he did the only "Ultrasound" in the entire 18 months and told me that I don't have child I my luck, there is no baby inside her womb.

After discussing the entire issue with some of my well wishers many abnormalities could be noticed of the doctor like he never use to write down the name of the medicines, rather I use to call him from medical shops and the doctor use to tell the name of the medicines to the shop keeper over the phone, last time when went to his chamber he kept almost all the prescriptions with him

did not give me back, now I feel like he used hormonal injections to restricts the regular menstrual predict cycle, in the entire process the doctor and his wife cheated us for a sum of rupees 5 lacks .

In the end he offered me that he can provide me a child if I can afford a sum of rupees 10 lacks, for which I have a strong doubt that this doctor may can be involved with child trade.

In view of the above facts you are here by requested to investigate the matter and take appropriate stapes to do the needful.

Thanking you
