I have been escaping from him trying to save my life. This morning in the middle of the night at around 1.30 AM he jumped from the boundary wall and managed to come inside to house compound and started vandalizing the property. — He also broke all the glass of the Car. he broke the windows of my house and scooter also. He started kicking and hitting my dog brutally. Every day I have to live in the fear that my husband might get to me anyday and beat me up or might even kill me. It hurts me emotionally and physically and mentally.

I beg you to kindly take note of my complaint and take necessary steps as soon as possible so that I no longer have to live in a fear that my husband might kill me anytime.

Thank you.

Yours faithfully
