Sub: FIR for physical assault and using slang words

Sir,

This for your kind information that I was traveling to my home by my car from Shibmandir area at 8 am today (23-12-2021) with my daughter who was dropped on Shibmandir side for some reason. After I crossed the Balason river stopped on left side and was calling my daughter. One person came out and said to take away the car. I said let me finish my phone call, there was hardly anyone in the street and my car was even a little away from his shop, the shop was not even opened (selling Dab green coconut). He started shouting. Another person come on a two wheeler no. **WB-74 AW 3964** and started pushed me rudely and blew me a fist on my back, opened my car door and pushed me in. I got physically hurt.

Kindly do the needful to trace the gentleman and do the needful so that he does not do similar thing in future.

Thanking you,

Yours faithfully,
