Bagdogra, Dist. Darjeeling, is my legally married husband and our marriage was solemnized on 25.01.2021, before the Marriage Officer Smt. Bidotma Tirkey of Station More, Bagdogra, as per the provision of Special Marriage Act, 1954 and thereafter, a social marriage ceremony was performed on 21.02.2021 as per the Hindu Rites and Customs, after observing all formalities of a Hindu Marriage on and from my parental house as mentioned aforesaid. At the time of my marriage, my parents and other family members have given so many valuable articles like golden ornaments, furniture & fixtures, utensils, clothing's and other valuables including cash a sum of Rs. 6,00,000/- only out of which, Rs. 2,00,000/- only by way of cash and Rs. 4,00,000/- only through RTGS in the Bank Account of my Father-In-Law Sri Arun Kumar Ram as per the demand of my husband and his family members. relation. Thereafter, my mother-in-law and sister-in-law in conspiracy with other in laws members have shifted the entire burden of household works in my matrimonial house upon me and compelled me to do all the household chores in their house and considering my future conjugal life, I used to work as per their direction as a maid servant in their house. They did not provide me sufficient foods and sometimes, I used to sleep at night in empty stomach for which, I had fallen ill and during my illness, neither my husband nor my in laws members take any care upon me. My husband has been carrying and running a business of Electric Shop and he has also been running a Lodge under the name and style as "Maa Tara Lodge" situated at Opp. Marina Hotel, Bagdogra and almost everyday, after completion of his business hours, he used to return back home in fully drunken condition and after returning home, he again started to create inhuman torture upon me in order to fulfill their illegal monitory demand and also abused me and my family members with filthy and abusive languages and as and when, I made protest against his said illegal acts, he did not bother to assault me physically. Suddenly, in the month of April, 2021, my husband left the house without informing me and went to Nepal and when I asked him as to why he has left the house without informing me, he told me that he went to Nepal for the business purpose and almost after lapse of two months, he returned back to home. Thereafter, after perusing the mobile phone of my husband, I came to know that my husband has been maintaining an extra marital relation with his so called girlfriend namely Priyanka Manger and in order to maintain his said extra marital relation, he went to Nepal with the said lady and resided there with the said lady under the same roof. After returning there from, my husband in conspiracy with his family members have increased their inhuman torture upon me both physically and mentally and they also provoked me either to fulfill their illegal demands or to commit suicide and considering my future conjugal life, I used to bear all such type of inhuman torture of my husband and in laws members with a hope that in near future, they will definitely realize their own mistake and thereby rectify themselves but all my hopes have gone in vain due to their continuous torture.

On 12.02.2022, at about 11 A.M., I along with my husband came to my parental house in order to cast my vote in the Siliguri Municipal Corporation Election and immediately after reaching there, he left the house in order to join in his business place and on that day at about 09.30 P.M., my husband accompanied with my mother-in-law, sister-in-law, uncle-in-law and his wife, came to my parental house and started to demand huge money for their business purpose and when I asked and requested them that it is not possible for my father to pay any amount to them, they became furious and started to abuse me and my parents with filthy and abusive languages and when I make protest against their said illegal acts, my uncle-in-law and his wife have started to assault me physically and when I started to hue and cry, my husband pushed me in the floor and started to beat me mercilessly with fist and blows and also kicked in my lower abdomen with an intention to kill me and when my old aged parents tried to rescue me from their hands, my mother-in-law

and sister-in-law assaulted them also and provoked them to continue their said illegal torture upon me and thereafter, left the house and at the time of leaving, they threatened me and my parents by saying that if we did not fulfill their said illegal demands, they will not allow me in their house and if I tried to enter into their house, they will not hesitate to ruin my life permanently. Due to their said inhuman assault, I have received severe injury on my body and became senseless and considering my serious condition, in the intervening night of 12.02.2022 to 13.02.2022 at about 01.10 A.M., my parents admitted me at Siliguri District Hospital and since then, my in laws members have concealed my husband in some conspicuous place and claiming that my husband is missing and thereby, creating false pressure upon me and my family members. Thereafter, my husband in conspiracy with my in laws members have requested us to sit on a compromise table in order settle the disputes amicably and also asked me to visit at their house with my family members to settle the said disputes. Accordingly, as per the request of my husband and in laws members and believing their version, today i.e. on 03.02.2022 at about 04.00 P.M., I along with my mother, brothers and other neighboring peoples have visited at my matrimonial house. Immediately after reaching at my matrimonial house, my husband in conspiracy with his parents and other family members have started to abuse us with filthy and abusive languages and also started to threaten us with dire consequences and when my brothers have made protest against their such type of behavior, my husband and uncle-in-law and his wife have started to beaten my brothers mercilessly with fist, blows and kicks and when I tried to restrain them from assaulting my brothers, they have also assaulted me physically by pulling my hair logs and abused me and my family members by saying that they will never allow the lower class persons like us in their house and also threatened us by saying that they will ruin our life permanently if we did not fulfill their illegal demands. Due to their illegal acts, activities and assault, we have received severe injury on our person and have been passing our days with extreme fear and anxiety.

I, therefore, request you to investigate into the matter and please take appropriate strong legal action against my husband and his family members as mentioned above as per the provision of law and obliged thereby.

Thanking you

Yours Faithfully,
