Sub: Stalking and Threat

Respected Sir,

This is to let you know that for the past 2-3 days I am being threatened by a man named Shanku Debnath. This person is a driver who has been working under my professor and Ph.D supervisor, Dr. Ranjan Ghosh. He has stopped showing for work at my professor's place and has been asking money from him. And he has called me and followed me and threatened me in front of my house that if his demands are not met he will harm my family, my sister and elderly parents. He warned me that he will edit my pictures and videos with my professor and circulate them on social media to malign our reputation. He has demanded for 5 lakh rupees, and has been stalking me ever since. He has been moving around my house, with some people and I am feeling very anxious, helpless and endangered. I request you to look into this matter and take urgent steps for the safety of my family.

Thanking you,

Kaushani Mondal.
