Sub: Intimation Regarding a Fatal Electrical Accident at Lala Busty, Jyotinagar.

Respected Sir,

As per information received on 27.08.2022 around 1:45 PM at the office of the undersigned, an electrical accident has occurred at Lala Busty, Jyoti Nagar, Bagdogra, which later came to be known as a fatal one. Based on this information, the undersigned along with departmental staffs visited the place for preliminary enquiry. On arriving at the location, it was found that the victim, named Sri Samir Toppo, (Aged about 35), residing at Atal Tea Estate who met with the reported electrical accident, had been moved to Bagdogra Hospital. Upon arriving at the hospital he was referred to North Bengal Medical College and Hospital, Siliguri and after that later the information of his death was received. Upon further inspection it was found that the victim got possibly electrocuted, while lifting a piece of iron rod for construction of the terrace of the building of Smt. Rita Devi Thakur, Lala Busty. There he came in close contact with the live line (LT Line) leading to electrocution of the victim. The construction of the building was done without maintaining necessary safety clearance from live electric lines (Necessary safe horizontal clearance of OH line from the highest point of building/structure of L&MV lines: 1.2Mtr).

It may be stated here such kind of activity of working in the close vicinity to our live lines is totally unauthorized & condemnable by law. As the work was being carried out in such a casual manner, such kind of mal practices leads to accidents. No permission for shutdown or prior intimation to WBSEDCL was made before executing the construction work. Hence, WBSEDCL should not be held responsible for the mishap. Hence you are requested to take necessary action accordingly.

Thanking you.
