Since last few months back, our mother as per the desire of my brothers have decided to sold out a portion of her aforesaid property to the intending purchaser and accordingly, she entered into an Agreement for Sale with respect to land measuring 1 Katha out of her aforesaid property but due to her mental condition, the registration could not be done and since then, my said brother namely Md. Farid and his wife have started to misbehave with me and caused mental torture upon me in different ways with an sole intention to driven out me from the property of my mother.

Sir, I am unmarried lady, having no source of income of my own and still now, I have been studying and also providing tuition to the students from the aforesaid property of my mother as well as from their houses and out of the small income, I have been maintaining myself as well as incurring expenditure towards my studies.

Recently, my said brother and his family members have stopped to provide food and other amenities to me and also restricted me to meet and talk with my mother and they clearly stated and threatened me to leave the house immediately otherwise, they will not hesitate to oust me from the aforesaid property forcefully and nobody will do anything and it is my apprehension that at any moment, my said brother and his family members in conspiracy with others may oust me from the aforesaid property of my mother with an intention to grab the property of our mother illegally and forcefully.

It is further hereby mentioned that yesterday near about 9. P.M. my brother Md. Farid and his wife abuse me with filthy and offensive language and assault me and threatened me with dire consequences and try to oust me from the aforesaid property forcefully.

I, therefore, request you to investigate into the matter and please take strong legal steps against my said brother Md. Farid and his family members as per the provision of law and obliged thereby.

Your early action is highly solicited.

Thanking you,

*Fatema Khatun*
