I was travelling via scooty with my friend Akash Islam, while returning back home we saw four boys ganged against us and started hitting both of us all of a sudden with helmet pushing and pulling to and fro trying to strangle I was trying to inform the police.

They men tried to snatch our bags, mobile phone, scooty key. They even slapped and kicked me on my lower abdomen. I kept on pleading for not harming us, but they threatened until the police arrived at the incident spot.

We were then rushed to the nearby hospital which is North Bengal Medical College and got our particular tests done under the supervision of doctor.

Therefore, I would request for strong punishment against the physical assault, abusive language spoke and done to me and my friend Akash Islam and also my family should not be further bothered or harmed in any instance in day to day life. I believe the justice would be done to me.

Thanking You,

Yours Faithfully
