Date 2/11/22

Dear Sir,

With due respect, I, **SRI DURGESH SINGHA**, Son of Late Ashiram Singha, resident of Badlavita, P.O. New Champita, P.S. Matigara, Dt. Darjeeling, would like to inform you that my father Late Ashiram Singha was the sole absolute owner of land measuring about 55 decimal in R.S. plot 97 & 89 corresponding to L.R plot 331 (36 decimal) and 316 (19 decimal) by virtue of a registered sale deed being no. I-2398 in the year 1962 executed by Fataswari Bewa, wife of Buran Singh of Chotomohansinghjote. After elapsing three years in the year 1965 my father sold out land measuring 36 decimal of land in plot no. 97 (R.S) corresponding to L.R plot no. 331 to one Sri Anil Singha, Son of Late Dhima Singha of Amarpally, Phansidewam more out of his aforesaid purchased land. My father also had piece of separate land measuring about 42 decimal connected with the aforesaid purchased land in 96 (R.S) corresponding to L.R plot no. 332 in khatian no. 8/20 (R.S) situated at Mouza Jitu, J.L. no 69 which he inherited from his ancestor and had sold out land measuring 24 decimal during his life time. Now the residue land measuring 18 decimal is still lying in my father's khatian vide no. 24 (L.R). After the demise of our father I include my mother and three sisters and three brothers have become the joint owners of land measuring about 18 decimal as left by our father according to the provision of hindu law of inheritance. Presently the aforesaid Anil Singha started cultivation in and our land measuring 18 decimal without our permission or consent. When we asked him why he started cultivation in and over our aforesaid land that time he became very furious and threatened us with dire consequences. Meanwhile it is very necessary to mention our father sold out land to him in plot no. 331 (L.R) but he is starting cultivation in plot 332 (L.R) which is deemed to our father's ancestral property.
