Memo No.: DM/STD/ FIR/1975

Dated: 19.12.2022

To  
The Inspector In-Charge  
PS: Pradhannagar

**Sub:** Intimation about fatal accident occurred at an under construction building, near Panchanai Enclave, Ambadhura, Salbari, PS.: Pradhannagar, PO: Salbari, Dist: Darjeeling Pin: 734009 on 13.12.2022 at about 08:15 am

Sir,

I Sri Soumyadeep Ganguly, son of Sri Sibnath Ganguly, presently posted at Siliguri Town Division, WBSEDCL as Divisional Engineer (Tech) would like to inform you that today i.e. on, 19.12.2022, one Mr. Ram Kalikotay a resident of Panchanai Enclave, Alpine F1, Ambadhura, Salbari, PS: Pradhannagar, PO: Salbari, Dist.: Darjeeling, Pin: 734009 visited the Siliguri Town Division office and informed that one fatal accident of a masonry contractor labour has occurred in his under construction premises situated near Panchanai Enclave, Ambadhura, Salbari, PS: Pradhannagar, PO: Salbari, Dist: Darjeeling, Pin: 734009 on 13.12.2022 in the morning hours.

After being informed about the same, the undersigned visited the site today and gathered statements from Mr. Ram Kalikotay, the owner of the premises where the accident occurred, Md. Tasar, the masonry contractor under whom the victim was working, and Mr. Sujoy Roy, a masonry labour and a site witness.

As gathered from site inspection and as per statement of the site witnesses, on 13.12.2022 morning at about 8 am, the victim Sri Bimal Barman, aged about 34 years, son of Lankeswar Barman, a resident of Dhulia Ujalpokhri, PO: Dhulia Bondihati, PS: Meteligunj, Dist.: Koochbihar, was working as a masonry labor under contractor Md. Tasar at the under construction house of Mr. Ram Kalikotay,

The victim was engaged in the rooftop for plastering and was using a steel pata for the said work. At around 8:15 am the steel pata somehow came in contact with the nearby overhead bare conductors of Ujanu-Salbari 33kV feeder passing through close proximity and the victim was electrocuted and fell on the ground. He suffered burn injuries as well as mechanical injuries. He was immediately taken to Sukna Government Hospital and therefrom was shifted to Anandaloke Nursing Home where he was admitted finally. The victim succumbed to his injuries at Anandaloke Nursing Home on 16.12.2022 at midnight.

As gathered from Ujanu 132kV GSS, WBSETCL, the Ujanu-Salbari 33kV feeder tripped with earth fault at 08:15 am on 13.12.2022 and was charged at 08:17 am and stood ok.

As found during inspection, the owner Mr. Ram Kalkotay has constructed his house in very close proximity to existing bare conductors of 33kV Ujanu-Salbari feeder grossly violating IE Rule 80 and severely compromising the safety of the workers working at the site. Md. Tasar, the masonry contractor, who engaged the victim for plastering work, also neglected the safety aspect of working in close proximity to high voltage overhead line.

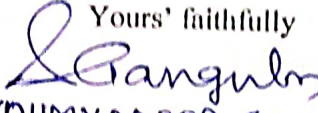

As stated by the owner Mr. Ram Kalkotay, he failed to inform WBSEDCL about the incident on the day of accident. Later he came to his senses and informed the office today following which the site inspection was carried out and this FIR is being lodged.

The accident has happened due to unauthorized construction of house in close proximity to the existing High Voltage 33kV Ujanu-Salbari feeder by Mr. Ram Kalikotay and negligence of the masonry contractor Md. Tasar in maintaining a safe working environment for his workers.

You are therefore requested to kindly treat this as an FIR and take necessary action towards its inspection.

Thanking you

Yours' faithfully
