2. The thief/thieves seem to have entered the premises by jumping over the compound wall and entered the house through a side gate by breaking the lock. I further state that, I came to know about the theft when I woke up for natural call and after searching for the mobile to see the time I could not find it at my bedside where I had left it before going to sleep. At that time I heard a sound of grill gate opening/closing. I came down to the garage and found my Air Force Identity card and a broken lock lying on the ground. I shouted and other tenant Mr Vikram Singh, a student of Commerce College, Bagdogra responded and reported the matter to Bagdogra PS. The on duty ASI visited the house and assessed scene of theft.

Yours sincerely,

Samir Sarkar
