SUB :

Respected Sir,

With Due respect I the undersigned would like to inform you that I am the constituted attorney of my wife, Smt. Kulvinder Kaur Agarwal who is the registered owner of a piece of land measuring about 3.163 acres by virtue of three separate registered Deeds of Sale being instrument no. 1138 of 2005, 3710 of 2006, and 3711 of 2006, situated under the Mouza Ranidanga, P.S. Naxalbari (presently Bagdogra), Dist. Darjeeling and after purchasing the aforesaid land my wife recorded her name in the record of Right, two separate L.R. Khatians has been published in the name of my wife being 762 and 975.

I would like to state that there has been some work going on the above mentioned land for construction of Boundary etc since February 2023 and there have been constant attempts of stopping and /or delaying the on-going work by a family who live in the neighbourhood. One Swapan Singha and his family have been creating problems and harassing my labour contractors to make them stop the ongoing work.

On 25<sup>th</sup> April 2023, when my labour contractor arrived on the land for resuming work, they were harassed and shouted at and told not to resume any work stating that they will not allow any civil work on my land and that I will have to talk to them before they will allow any work to proceed. My contractors were forced out of my land. When I tried to talk to them, I was also harassed by Swapan Singha and his wife who were agitated and angry and demanded money or portion of land before they allow any work to proceed. The body language and demeanour has been very aggressive and threatening and they were willing to physically escalate causing me harm. I had to leave the place fearing my safety and security.

This type of incidence has been happening for more than a month and owing to such harassment and hooliganism, my labour contractors have refused or left work incomplete. These incidences were brought to your esteem attention earlier on 02 March 2023 when the labours were threatened to stop work of construction of Boundary Wall.

There is also the fact that someone unknown has also broken and damaged the Electricity Supply Meter that is there on my land vide Meter No. L2807695 registered under my Wife's name. This was also discovered very very recently and when this matter was enquired with my caretaker of the land,

MOHNI SINGHA, who also lives next to SWAPAN SINGHA and is a nephew to him, told me that he does not know who broke the meter. It is my belief that Mohini Singha is also colluding with Swapan Singha, actively, to harass me and cause significant loss of time and monetary resources under the threat of physical harm to myself and my labour contractors with an aim to extract financial benefits from me. I have removed Mohini Singha from his position as the caretaker of the property after realising his intentions.

It is my humble request that your esteemed office restrain the hooligan elements from disturbing my peaceful use of my property and allow resume my civil construction work, and initiate whatever legal consequences that you may deem fit in this regard.

I will be eternally grateful for your co-operation in this regard.

Thanking you,

Sincerely,

(Prem Agarwal) S/O LATE. MOHAN LAL AGARWAL.
