Sir,

With due respect I the undersigned would like to inform you that I am the registered owner of a piece of land measuring about 7 Katha 1 Chattak and 1 Sq. Ft. recorded in L.R. Khatian No. 298, L.R. Plot No. 434, Sheet No. 1, Mouza - Ranidanga, Dist. Darjeeling by virtue of a registered deed of sale being no. 3710 for the year of 2006. I am also the registered owner of a piece of land measuring about 2 katha 12 chattak 31 sq. ft. recorded in L.R. Khatian No. 298, L.R. Plot No. 434, Sheet No. 1, Mouza - Ranidanga, Dist. Darjeeling by virtue of a registered deed of sale being no. 3711 for the year of 2006. Both the land are adjacent and I have been occupying the said total land together along with my other self acquired landed property situated thereby. It is pertinent to mention here that my name has been mutated in the record of rights.

I would like to further inform you that very recent I have started to make the construction of boundary wall in and over the said land as stated above and for the purpose of construction, I have engaged my contractor and he accumulated the valuable goods and articles like cement, iron rods, bricks and other materials which are used for the construction work in and over my said land but from few days Mohoni Singha s/o Late Tapan Singha, Swapan Singha s/o Late Samir Chad Singha, Sanjay Singha s/o Leban Singha and his family members including their wives have started to disturb the labourers for the construction work with the various pretexts and on several occasions they compelled the said labourers to stop the construction work for their ill motive and my husband has already lodged written complaint against the said act but they did not bother to that and whenever my contractor tried to resist them from doing such illegal acts, with the instigation of the male members of the said association, the female members started to come forward and threatened the contractor by abusing that if the said work of construction will be carried out, the said female members will implicate the said contractor and laborers and also the male members of my family in false criminal case leveling the allegation of outrage of their modesty and rape like that and send them behind the bar and thus they will give a remarkable lesson.

(Vertical handwritten notes on the right margin)

I would like to further inform you that on 16.06.2023 at night the above named persons with their common intention, they have taken away the valuable materials like cement, iron rod, bricks from there and the market value of those materials is Rs. 30,000/- approx and even also they demolished the newly made concrete pillars and cut the iron rod which were used for erection of said concrete pillars for protection of the said boundary wall and installation of iron gate for entrance of my said landed property. After getting the said information, I along with my husband rushed to my land today in the morning and keeping my husband inside the car for avoiding the unnecessary complication and asked Mohoni Singha, Swapan Singha and Sanjay Singha to return those valuable materials immediately and also requested them not to disturb the laborers and contractor from constructing the boundary wall further otherwise, I will be compelled to take the legal action against all the persons and in the mean time said Mohoni Singha, Swapan Singha and Sanjay Singha had demanded a sum of Rs. 5,00,000/- as local gunda tax and told me that without fulfilling the said demand they will not allow my laborers to fix a single brick or any type of construction work there and on protest their such illegal demand, they started to abuse filthy languages towards me indicating my morality and chastity and due to such illegal act, I tried to call in police station from my mobile and in the mean time, they rushed to me and tried to snatch my mobile from my hand and on resistance they pushed me and mishandled me and abused filthy languages which cannot be uttered in a civilized society and due to the said sudden unexpected behavior and acts of those persons I became astonished and somehow I managed to come out the said place.

Under the above circumstance, I would like to request you to investigate the matter, recover my valuable materials and do needful for the ends of justice.

Thanking you.

Yours faithfully,
