Sir,

Most respectfully, I SI Kankan Paul presently posted at Siliguri PS, would like to inform you that on 05.11.2023 in course of special picket duty at Venus More area along with available officer and force at around 18.35 hrs to 18.40 hrs about 30/35 members of "Bongio Hindu Maha Mancha" assembled at Venus More. They without any permission from proper authority hold a Rally at Sevok More and back Venus More. They carried festoon/placard and made a slogan against particular community that the community has insulted Hindu God Lord Shiva at Murshidabad District. In doing so they gave rise to feeling of hatred and enmity to a particular community trying to promote enmity between different classes of people at Venus More with the intent to make communal disharmony in Siliguri and adjacent area. The matter of them was based on fake rumors among members of particular community.

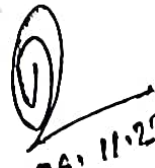

Under the above circumstances, I pray that necessary action may kindly be taken the aforesaid 30/35 members of "Bongio Hindu Maha Mancha" for promoting enmity on the basis of fake rumors between different communities.
