Sir,

With due respect, I Nipa Debnath w/o Dabal Dednath resident of Junction BRI colony Rail Q No. 241/A P.O/P. S Pradhan Nagar Siliguri would like to inform you that I along with Badal Debnath (Accused Person) got married on 10<sup>th</sup> March 2010 in silcher Assam and it was a Arranged social Marriage after the marriage ceremony we shifted to RangaPara Assam in our Government Quarter and a Baby Girl i.e. Eshika Debnath was born in the year 2011. In around 2013 my husband i.e. Badal Debnath (Accused Person) who is a railway staff got transferred from Rangapara to Siliguri and after that we started to live in Siliguri in above mentioned address. In the year 2016 I gave birth to our second baby girl i.e Purnima Debnath. After the birth of my second girl child the nature and the attitude of my husband toward us has started to change, he started to use filthy bad languages in Bengali and English towards me and also neglect our Children after some time he started to hit us with slap and punches and even with his leather belts. He started to drink alcohol on regular basis and always comes home in drunk condition and beat me without any reason and if I asked why, you beat me then he replies that he wanted a baby boy in order to extend his family generation and also want to marry another woman because he thinks that I cannot give birth to a baby boy for him. It is pertinent to mention that he is also having an extra martial affair with many other women. On 25/01/2024 at around 11.30 pm my husband came home in drunk condition I kept the food in the table for him and went toward my bed for sleep after that all of a sudden, he started to throw the plates and rice in the floor and when I asked what happened he angrily rash towards me and give me a slap and he pushed me and throttle my neck with his hand and after that he uses pillow to suffocate me and tried to kill me after the said incident I started to cry and then he threatened me to kill me and said that he wanted a baby boy and for that he wanted to marry another woman. Today i.e. 26/01/2024 at around 4.00 pm my husband again started to beat me without any reason and he pushed me out of our house and said that he will also going to kill both of my children and marry another girl and after saying this he locked the main door and then he tried to strangulate my both children after listening to his threat I started to cried for help from the neighbors and with their help I opened the door and rescued my children from my husband. I along with my children are living in a very life threatening situation and my husband will kills us if he gets a chance.
