Inspector in-Charge
SILIGURI WOMEN P. S.
SILIGURI POLICE COMMISSIONERATE

I Mrs. Manizeh Syed Ali, Wife of Sri Anil Rajak (96355-68522), Daughter of Mr. Syed Ali, at present residing at 1/8 B 'Silver Oaks' behind Hotel Sinclairs, Post Office & Police Station - Pradhan Nagar, District - Darjeeling, PIN-734001, West Bengal would like to inform you that I was born and brought up in Karachi, Pakistan and in the year 2007 while I was pursuing my PhD in International Studies from the University of Karachi, I travelled all the way to India to collect research materials pertaining to my course at the prestigious Jawaharlal Nerhru University (JNU), Delhi for a period of Four (four) months from August, 2007 to November, 2007 and during these four months of my stay at Delhi, I met my husband Anil Rajak who at the relevant point of time was also pursuing his PhD in International Studies from the Jawaharlal Nerhru University (JNU). We both developed a sense of security and trust and became emotionally attached to each other and gradually our relationship transcended into love. Thereafter I left for Karachi. However when Anil proposed marriage to me I agreed and subsequently on 29.12.2007, we had a social marriage in accordance with the Islamic Law, traditions and cultures at Karachi, Pakistan and in pursuance thereof a *nikahnama* was also executed. After some time Anil left for India and at that relevant point of time he left his PhD midway and had applied for a job to the post of professor at Kaliaganj College, Uttar Dinajpur.

Subsequently in the month of March, 2008 I arrived at Delhi, India and I and my husband Anil stayed there for sometime before leaving for our honeymoon to Dalhousie, Himachal Pradesh. It is worth mentioning that the first instance of physical abuse against me started in the month of March, 2008 when Anil raised his hands upon me and became violent. I had never seen Anil in this manner and was completely taken aback by this incident, since that day he started to verbally and emotionally abuse me in all manner possible. Thereafter, I left for Karachi as I was expecting a child and on 20.12.2008, I was blessed with a girl child namely Ananya Anil Rajak. Consequently I and my husband registered our child at the Indian High Commission and thereafter my child attained Indian Nationality by descent and

subsequently all three of us travelled back to India. In the month of May, 2009, Anil secured a job as a professor at Kaliaganj College, Uttar Dinajpur and we moved to Raiganj and stayed there till August, 2011. It is pertinent to mention here that I was enduring all the physical and mental torture upon myself with a hope that after the birth of a child the situation might improve but on the contrary it worsened. Not a single day pass by where Anil would not abuse me. Subsequently I travelled to and forth with my child from Pakistan to India to only return back to India in the month of November, 2011.

Thereafter we registered our marriage under the Special Marriage Act, 1954 and started to reside at Uttarayan, MIG, Siliguri in a rented apartment. Right from the beginning of the marriage I did not enjoy the marital happiness due to the greedy nature of my husband and his parents i.e. my in-laws namely Smt. Balkashi Devi Rajak and Sri Nagina Rajak who were more interested in earning money through dowry demanded from my parents. It is not out place to mention here that my in laws would visit us every now and then. My mother-in-law and my father-in-law namely left not a single chance to take dig at me by calling me a shameless woman as I was not ready to convert to Hinduism and further labelled preposterous remarks against me by telling me that I was not able to give them a 'pota' (male grand child). My husband would beat me up and my in laws did absolutely nothing save and except encourage my husband to continue with his violence and were accordingly complicit in the crime committed by my husband against me.

My husband Anil was in a relationship with multiple women at the same time and crossed all limits of decency. He even sexually assaulted me at multiple occasions against my consent and will and forced himself upon me. Thereafter in the the month of April, 2017 we shifted to our current residence at Silver Oaks Apartment. There my situation deteriorated by was not even given two square meals a day and had become physically weak and feeble. My husband did not give me a single penny I was completely dependent on my parents for all sort of financial support.

It is worth mentioning that my husband pursued his PhD on the subject Role of the state on religious minorities in Pakistan from Sikkim University for the same he made constant visits to Karachi, Pakistan where my husband would ill treat my parents and my sister despite the fact that they had rendered all necessary support and cooperation to him this happened just 2 years prior to the global

outbreak of Covid 19 pandemic. He subsequently completed his PhD and thereafter started his job as a professor at Kurseong College.

Whenever there was a marital discord/fight between us, he did not allow me to keep my mobile with me with a fear that I might inform my parents and relatives. Since the inception of the marriage, I was never given the minimum respect and dignity that a wife deserves. I was treated worst than a servant in the family of my husband. I was confined inside the house and would not be allowed to leave the house premises.

Since I could not inform anyone about my situation, finding no other alternative I had to run away from my matrimonial house leaving by my daughter and my gold jewellery worth Rs.5-6 lakh (approx.), educational degree in my matrimonial house. On 11.12.2023, I left my matrimonial house and on 12.12.2023, I left for Karachi. I therefore request you to investigate the matter and book the culprits namely Sri Anil Rajak (my husband), Smt Balkashi Devi Rajak (my mother-in-law) and Sri Nagina Rajak (my father -in-law) in accordance with the appropriate provisions of law and oblige. I fear for my life and anticipate that my husband and in laws will try all possible method to threaten and intimidate me.

-Thanking you.

Yours truly,

[Manizeh Syed Ali]
