(14th day of March, 2024) some of the miscreants forcibly obstructed the deputed security guards of Ramakrishna Mission to enter into the said property and thereby they have caused an actionable disturbance over the peaceful possession of Ramakrishna Mission. The aforesaid high-handed acts and activities of the miscreants are not only highly prejudicial but it is expressive and it affords a clear material that the miscreants and each one of them have invaded and/or threatened to invade the lawful right of Ramakrishna Mission over the said property in any manner whatsoever.

Due to such lawlessness activities, there is prevailing a tension in and around the said property of Ramakrishna Mission. The miscreants have been carrying out a reign of terror and as such a probable breach of peace is reasonably apprehended. Unless the said land grabbers being the noted miscreants of the locality are identified and booked by the authority in accordance with law then the Ramakrishna Mission will be deprived from preservation of its property.

Now therefore, I, on behalf of Ramakrishna Mission, pray before your good-self to take cognizance on our complaint and do the needful from your kind end in accordance with law.
