3. That since then we started chatting and also started video calling over several social media platforms and after some time me and the said VISHAL CHAUHAN got involved in love relationship and after that we also started meeting in person at various places in and around the city.
4. That as days passed the said VISHAL CHAUHAN started forcing me to involve in a physical relationship with him but every time I used to refuse to get involved in such relationships with him. It is very important to mention that whenever I used to refuse him to get involved in physical relationships with him he used to mentally torture me by using slangs and also to threaten me that if I did not get involve with him in a physical relationships he will do something bad to himself and for that I will be the only person to be blamed.

7. That as the acts and conducts of the said VISHAL CHAUHAN totally jeopardized my mental health I decided to end the relationship we had and soon after I discussed the same with him, the said VISHAL CHAUHAN started threatening him that he is having some indecent pictures and videos of mine and if I do not continue the relationship he will forward the same to my family members and will also post in all the social media platforms and not only he also started threatening my family members over phone calls made by him from several unknown numbers.
