It is so be mentioned here that those persons blocked our vehicle by their other car so that we could not be able to ply the same and take out from parking place (other car No. WB 74 BH 9987 which blocked my owner's car) and left Infront of us taking away the keys of the other car and saying that they will not allow my owner's car to be parked here and threatened me to do whatever I feel like as he is not afraid of any law and order.

You are urgently requested to take appropriate legal action against the above-named persons.

I am myself a under graduate and this complain is written by myself. And the photograph of the said vehicle of their car is enclosed herewith which clearly slows that the above-named persons have intentionally blocked my owner's car.

Your's faithfully
