Subject:- FIR due to damage of Distribution Transformer (DTR) 160 KVA and damage of other electrical installation of WBSEDCL at Netaji Nagar(near Cipla warehouse) under Power House CCC

Sir,

I, Ranadip Mazumder, S/O Late Kalipada Mazumder, Assistant Engineer & Station Manager, Powerhouse CCC, WBSEDCL, empowered by The Indian Electricity Act, 2003 (amended in 2007), hereby report a serious incident that occurred on 22.09.2024 at Netaji Nagar (near Cipla warehouse), which I believe warrants immediate attention and investigation.

The incident involved an accident by a vehicle bearing registration number WB 73/F7620 with our electrical installations on 22.09.2024 at approximately 12:20 PM, causing significant damage to WBSEDCL property and posing risks to public safety.

Upon receiving 'No Power' complaints from consumers in the affected area, our technical team promptly attended the site at 12:45 PM. They observed that some parts of the 160 KVA DTR, along with other electrical installations, were damaged due to the accident. Power restoration work in the locality was completed at 5:45 PM.

The total financial loss incurred due to this accident is estimated to be approximately Rs. 12,500.00 (Rupees Twelve Thousand Five Hundred only).

Given the potential risks and significant financial implications, I kindly request you that a FIR be registered regarding this accident. Your prompt attention to this matter is crucial to ensure the safety of the community and the protection of WBSEDCL property.

This is for your kind information and further needful action please as per law.

Thanking You

Yours faithfully
