Respected Sir/Madam,

With due respect of Aditya Kanodia, s/o Jyoti Prakash Kanodia residing at/near Don Bosco school, Siliguri ward No. 41, pin: 734001. on 20th November, 2024

I was coming towards my house from my friend's marriage at around 01:00 AM at the night. Exactly near blood bank a car directly over speeded and came on my way as I was going straight the lane and the car directly crossed the road and I did not get time to stop my vehicle and locked into the car. I literally flew away and had physical injuries. My bike numbered WB 74 BJ 3818 also got damaged.

I was in a very unconscious state that I couldn't even get up from the spot. There were 3 people inside the car and their mental state was not good.

They rashed the car very soon and ran away without even getting out of the car and look at my condition.

I would be highly obliged and very thankful if you look into the matter. ~~an~~

Yours faithfully,
Aditya Kanodia
