Siliguri Police Commissionerate

They are professional land mafiyas.

They have already extorted huge amount from me.

Today at around 1 pm when my labourers were working in the land, they all came to the said plot of land, assaulted my labourers, stolen cements, rods and other construction materials from the spot and one of my close relative whose house is adjacent to the said land was also present in the spot, the accused persons outraged the modesty of that lady by pulling her hands and pushing her down to the land and touched her private parts.

Under such circumstances the local people saved the lady from their hand.

Hence I request you to kindly take stern action against the above named culprits.
